Shipping Suggestions: UPS or Common Carrier

We have 3 size cartons that we can use to ship your order by UPS

- **UPS-15** Holds 15 to 18 sheets of matboard or 5 sheets of 3/16" foamboard or 8 sheets of 1/8" foamboard. This is a specially designed carton to protect your order. No additional protection is needed or used.
- **UPS-25** Holds approximately 25 sheets of matboard or 9 sheets of 3/16" foamboard or 12 sheets of 1/8" foamboard. Corner protection is used.
- **UPS-100** Holds approximately 35 sheets of matboard or 25 sheets of 3/16" foamboard or 35 sheets of 1/8" foamboard. Corner protection used.
- We can also ship full cartons of foamboard products (up to size 32 X 40) by UPS.

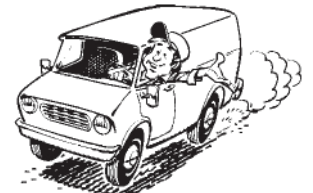

Please see each product page for exact information on carton quantities.

We're sorry for all of the rules and regulations, but we feel it is important to give you all of the information you may need to get your order how and when you want it.

More UPS shipping information:

- **15 to 18 sheets** of matboard can be shipped in one UPS carton
- **Under 15 sheets** - Cartons should be filled with a mounting board product of your choice. Please specify or we will fill with X-Board.
- We can ship up to 70 lbs. of 32 X 40 matboard in one UPS-100 carton. We estimate the number of sheets to be around 35. This will vary due to the type of board ordered. Please order the number of sheets you want, but give us an option of items to **"fill with"**. We will call you if your order is too heavy.
- 40 X 60 matboard **cannot be shipped by UPS**. 40 X 60 can only be shipped by common carrier or LeWinter Delivery. The minimum 40 X 60 order shipped by truck is 15 sheets. We can fill with mounting products such as Foam-X or Bienfang.
- **5 sheets** of 3/16" foamboard can be shipped in a UPS carton
- 8 sheets of 1/8" foamboard can be shipped in a UPS carton.

Don't forget about our friendly LeWinter delivery! Call for details.

OVERSIZE CHARGES

When ordering in less than box quantity, the oversized items listed below need extra protection to prevent damage. There is a \$6.50 per package wrap charge for these items. There will only be one wrap charge per package. If you order assorted items on this list we will try to put them in one package. If two packages are needed, there will be two wrap charges.

The wrap product used is #COR-50, 50 X 98. Two sheets of corrugated are needed for wrapping and we have priced these items as low as possible to cover our cost. This #COR-50 can be used for typical corrugated applications.
