2200 Series Mat Cutters

Change blades quickly with blade magazines. Cuts bevels, straight and v-grooves with a precision head that glides on ball bearings along a polished steel shaft and stainless steel strips for increased stability. All cutters include 100 mat blades.

- Order #FL-04-681 (48" cutting capacity)
- #FL-04-682 (60" cutting capacity)

All Fletcher Products are available. Don't see something you need? Please call.

*Most 2100 & 2200 Series parts are interchangeable. Please call us when you need parts.

*** The Fletcher 2100 Series cutters are discontinued and are replaced by the 2200 Series. However, all 2100 Series parts are still available.**

* 2200 Mat Cutting Replacement Blade

For use with 2100 series for mat cutting.

- Order #FL-05-012 .012" thick (Bx 100)
- #FL-05-015 .015" thick (Bx 100)

*This blade fits the MatMate System - See Pg. E-10
#FL-05-016 .016" thick Single Edge (Bx 100)

* 2200 Right Squaring Extension

Right squaring extension provides a rigid guide of accurate sizing of large mat board.

Order #FL-04-630

* 2200 Measuring Stops

Includes upper and lower stops.

Order #FL-04-622

* Dust Cover

Keeps your cutter clean and trouble free.

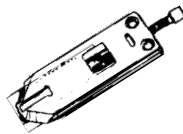

- Order #FL-04-640 for 48" cutter
- #FL-04-644 for 40" cutter
- #FL-04-645 for 60" cutter

* 2200 Blade Cartridge

Holds one blade for quick blade change.

Order #FL-12-542 Black Screw

38" Cutting Machine

For straight line production cutting of glass, acrylic, plastics and other fracture sensitive material up to 1/4" thick. Can be wall mounted and includes measuring stop.

Order #FL-05-511

#FL-05-511 is discontinued. Parts and blades are still available.

* 2200 Clamp Lifter

The Clamp Lifter holds the mat clamp off of the base so you can use both hands to position a mat. When you press down on the Clamp Handle, the unique spring design reduces the lifting force making it easy to hold the Clamp firmly against the mat. When you lift the clamp handle, the Clamp remains above the mat.

Order #FL-04-631

* 2200 Angle Mat Guide

Provides reliable cutting of angled mat openings from 15° -75°

Order #FL-04-635

Replacement Glass Cutting Wheels

- Order #FL-02-120 Steel (Pk of 10)
- #FL-03-126 Carbide (each)

Replacement Plastic Cutting Blade

Order #FL-05-712 (Pk of 10)

Items marked with a * also still fit the 2100 Series Cutter

EZ-TACH

EZ-Tach

Provides a fast and efficient totally reversible method for mounting most three dimensional objects. Differs from the Attach-EZ system by enabling you to mount those objects that cannot be pierced by a nylon fastener such as books, pens, jewelry, medals, etc.

- | | | | |
|------------------------|-----------|-----------|--------------|
| Mount: | | | |
| • Rings | • Jewelry | • Tools | • Golf Clubs |
| • Pens | • Toys | • Dolls | • Watches |
| • Books | • Medals | • Boquets | • Eyeglasses |
| No Special Tool Needed | | | |

- Order #FL-09-501 *EZ-Tach Complete Kit
- | | | |
|------------|----------------------------------|----------|
| #FL-09-502 | 7.5" String Fastener/Washer | (50/pkg) |
| #FL-09-503 | 4.7" String Fastener/Washer | (50/pkg) |
| #FL-09-504 | 9" Polypropylene Fastener/Washer | (50/pkg) |
| #FL-09-505 | 5" Polypropylene Fastener/Washer | (50/pkg) |
| #FL-09-506 | 3" Polypropylene Fastener/Washer | (50/pkg) |

*The EZ-Tach Complete Kit (#FL-09-501) includes:

- (50) 4.7" Polyester String Fasteners
- (25) 7.5" Polyester String Fasteners
- (75) 3" Polypropylene Fasteners
- (25) 5" Polypropylene Fasteners
- (25) 9" Polypropylene Fasteners
- (200) Nylon Washer Spools
- Owner's Manual

- | | |
|-----------------------|--------------------------------|
| Additional Benefits: | |
| • No sewing or gluing | • Attaches securely in seconds |
| • Totally reversible | • Ideal for shadowbox objects! |

Attach EZ and EZ-Tach are not Fletcher products, but were originally sold by Fletcher – so we have kept them in this section.

Attach-EZ

#FL-09-400SC Complete Kit: Microtach Hand Tool, Fine Fabric Hand Tool, 1/4" T-End Fasteners (1,600 pieces), 1/2" T-End Fasteners (1,600 Pieces), Microtach T-End Fasteners (1,560 Pieces), Fine Fabric Needle, Microtach Needle, & Owner's Manual. **Includes case.**

Tools:
