

## Super Plak

The framing alternative! A permanent protection that is washable, resists fading, and has a non-glare surface. Plaks have high quality finished edges and compliment any style of decor. Perfect for all sizes.

### Available in Plak, Float or Flush Mounts

#### Plak Mount (PM-)

Items are mounted to high density particle board and are finished with a non-glare matte laminate. Edges are beveled, sanded and painted. A special groove is provided for hanging.

#### Float Mount (FM-)

Items are mounted to graphic-quality masonite with a 3/4" back frame recessed from the edges and finished with a non-glare matte laminate. Edges are beveled, sanded and painted.

#### Flush Mount (MF-)

Items are mounted flush to edge. Sides are black only.
