Mouldings 10-9700 through 10-9749 do not assort for discounts with each other or other mouldings.

Example: If you order 50ft of 6 different mouldings, (300ft total), you get the 50ft price for each moulding, not the 300ft price. To get the 300ft price, you need to order 300ft of one item.
