Check **MD** on our website for updated quantities

We will not stock these items as we sell out. It is possible the Nielsen-Bainbridge has inventory of some items. If we are out of stock we will only reorder if you place an order with us. However - please note the ■ next to some items. The ■ signifies items the factory is sold out of.

For current updates on our inventory and factory availability, go to [www.lewintermoulding.com](http://www.lewintermoulding.com) and click on **MD** in the Closeout Corner metal section.

**If you would like to buy a quantity (200 feet or more assorted at discount prices) please call Marc LeWinter and ask for a quote.**
