

New Straight Cut Service

The straight cut service provides pre-inspected and pre-cut length, which you would then **CUT** to your specification.

**Straight Cuts
DO NOT
qualify for
UPS allowance
or discounts**

- Place your order based on the frame size.
- We will calculate the Straight Cut size for you based on the size of the frame, **plus a 1" total allowance on each piece.**
- Do **not** order extra material when placing your order. See example below.

Example: Order a 16" X 20" that is 1" wide. We **allow** for the width and send you 4 pieces long enough for you to chop to size.

(You can not order straight cut rails.)

You must order 4 pieces.

Example: 1 16 X 20 or
1 20 X 20, etc

**Footage billed is based on our Chop Footage Chart,
but add an additional 4" total. May vary due to rounding.**

The prices for Straight Cut are on your current moulding pages. If your moulding pages do not show Straight Cut, please request **MLDG-09** (moulding prices) or go to www.lewintermoulding.com and click on **Wood Moulding Catalog**.

There are no discounts on Straight Cut Service.
